

## About Us

Starlight Corporation is a **Woman-Owned Small Business** concern with an impressive depth of technical expertise in Military Aviation Maintenance. Starlight Corporation was founded in 1997 by Rick Hall, a USMC helicopter pilot and Vietnam Veteran. His appreciation of and passion to support our flying servicemen remains a hallmark of our company. We believe that it's all about value, not simply "More, faster, cheaper." We seek to **build organizational capacity** amongst our Government customers and help them to **achieve desired outcomes**.

## Our Expertise

### Aviation Maintenance Support

Support of Organizational and Intermediate Maintenance (O/I-Level) for Home Stationed and Phased Isochronal (ISO) maintenance inspections, Anti-Skid Removal/Replacement, Cleaning and Paint Preparation of Aircraft and Aerospace Ground Equipment (AGE), Technical Order Library Management and Lavatory/Potable Water Services.

### Aircraft Interior & Exterior Cleaning (Fixed & Rotary/Tilt Winged)

Fixed and Rotary Winged Aircraft including: Aircraft Towing; Ground Handling; Pre-Wash Prep; Exterior Washing; Interior Cleaning/Detailing of Flight Deck, Windows, Doors, Crew/Passenger Areas and Cargo Compartment; Sanitization of Latrine and Galley.

### Aircraft Fleet Services

Scheduled and On-Call Aircraft Fleeting/De-Fleeting, Beverage and Meal Delivery, International Waste Handling.

### MSG-3 Inspection Support Services

Preparation and Restoration Services for input to MSG-3 maintenance operations including: Access Panel Removal, Insulation Removal, Seat Removal, Latrine Removal, Underfloor Cleaning and Ant-Skid Removal/Replacement.

### Technical Order Data Management

Maintaining up-to-date Tech Data libraries accessible to aircraft maintainers through various media options (Paper TO's, synched laptop[s/tablets, and TO Remote).

### Facility Services

Maintaining the appearance and proper function of Government Owned Facilities including: Vacuuming; Mopping; Carpet Cleaning; Restocking Consumables; Performing General Maintenance Repairs and Initiating Service Requests as Required.

## Why We Are Different

Starlight Corporation offers an ideal blend of big business experience and technical depth, with small business efficiency and tenacious cost control. With seasoned executive leadership, sound management and an extensive network of technical resources, industry partners and satisfied customers, we focus on achieving sustainable results from every project. We continually invest in the best talent available, and foster a culture of rigorous process control and continual improvement. Understanding, promoting and delivering quality services every day is the strength and basis of our growth.
